

Know your team

Through this section we wish to introduce various members of the Nawras Business Solutions department. In this edition, we present Product Manager - Business, Ali Bakhit Hassan Kashiob.

A graduate of Sultan Qaboos University, Ali joined Nawras Business with over five years of telecom experience and did not waste any time in playing a leading role in launching Nawras Business Mousbak and enhancing the activities offered via online portal myNawras by adding the convenient bill analyser feature.

More launches are in the pipeline and Ali will be looking forward to the new year to introduce more exciting business services that will continue to help you get more from your business.
